Who We Are...

At Amit Cot Fibre, excellence meets innovation. Our commitment lies in understanding the diverse needs and unique specifications of customers around the world. We specialize in a wide range of products meticulously crafted to meet the requirements of various industries and applications. We don't just provide products; we deliver exceptional solutions tailored to elevate your business to new heights. Discover the difference of quality, reliability, and excellence with us.

A Trusted Legacy Since 1990

Pioneering Cotton Excellence Since 1980
Established in 1980, Amit Cot Fibre stands as a stalwart in the industry. Our journey is driven by our state-of-the-art manufacturing units dedicated to cotton processing and oil mills. With a robust Pan India network for cotton bales trading, we have seamlessly integrated domestic and international markets. Our unwavering focus on exports has propelled us to become one of the leading suppliers of premium cotton products globally. Our superior quality offerings are Cotton Bales, Cotton Seed Oil Cake, and Cotton Seed Oil. Leveraging our extensive experience, we have earned a stellar reputation by delivering top-notch products at competitive prices. With a remarkable production capacity of 300 MT per day in our ginning factories and substantial volume in ready bales trading, we ensure a consistent and reliable supply chain.

The Amit Cot Advantage

Amit Cot Fibre is not only a leading cotton ginning company but also an established player in the cotton export industry. With our commitment to excellence and high-quality cotton products, we have successfully expanded our reach to international markets, catering to the global demand for cotton.

Here's an overview of Amit Cot Fibre's cotton export operations:

1. Quality Assurance:

Our stringent quality control measures ensure that the cotton we export meets the highest international standards. From the ginning process to packaging, we maintain a focus on delivering clean, contaminant-free, and premium-grade cotton to our international customers.

2. Global Reach:

Over the years, we have established strong relationships with buyers and traders in various countries. Our extensive network enables us to export cotton to different regions worldwide.

3. Compliance and Certifications:

We adhere to all relevant international trade regulations and certifications necessary for exporting cotton. This includes compliance with phytosanitary regulations, quality certifications, and any other country-specific requirements.

4. Timely Delivery:

We understand the importance of timely

delivery in the global market. Our efficient logistics and supply chain management ensure that our cotton shipments reach international ports promptly and reliably.

5. Customer Satisfaction:

At Amit Cot Fibre, customer satisfaction is our top priority. We strive to meet our customers' specific requirements, provide excellent service, and build long-term partnerships based on trust and reliability.

6. Customized Solutions:

We offer customized cotton export solutions based on our customers' preferences, such as specific cotton grades, packaging options, and delivery schedules.

7. Market Insights:

Our team stays informed about global cotton market trends, prices, and demand to make informed decisions and offer competitive pricing to our international clients.

By combining our expertise in cotton ginning with a customer-centric approach, Amit Cot Fibre has positioned itself as a reputable and reliable cotton exporter in the international market. Our dedication to quality, efficiency, and customer satisfaction has contributed to our success in serving customers worldwide with premium cotton products.
